## **Ready, Set, Go!!!**

Race down to Riverfork Federal Credit Union July 1-31 for product bingo. Make the most of your pit stop at Riverfork - learn about our products, and when you match the daily product, you'll receive a stamp on your Bingo card. The first member with four corners or a regular bingo wins dinner at the Speedway Restaurant and two tickets to River Cities Speedway.

## **Better than a Travelers Check**

Having problems finding merchants that accept travelers checks? Riverfork Federal Credit Union now offers a prepaid Visa Travel Money card to use instead of travelers checks. The travel money card can be used anywhere Visa is accepted, including worldwide. Other great benefits include: ATM cash withdrawals and point of sale access, reloadable (up to 4 times), cancelable if lost or stolen, and transferable. Make summertime travel safe and easy by purchasing your Visa Travel Money card today!

## **\*Thank You\***

Because of your generous cooperation, Riverfork Federal Credit Union's Relay for Life team raised over \$2200. With this year's event behind us, we are ready to prepare for next year's Relay for Life. We would like to highlight our members' small businesses in 2010 while raising money for Relay for Life with a silent auction. Contact Veronica for all the details.

## **Co-op Network**
