

## **Congratulations Seniors**

Riverfork Federal Credit Union congratulates all seniors on a great year. Don't forget with the great 9.90% APR interest rate on Visa, you can take us all the way to college.

## **Thank You!**

The Riverfork Federal Credit Union staff would like to give a big thanks to all the members for helping us raise over \$3,000.00 for the American Cancer Society's Relay for Life.

## **Automatic Deposit**

It's vacation time and your much anticipated get away is almost here. You've planned everything! Your mother will watch the kids, your neighbors will watch the house, and your friends will watch the cat.

But who will be watching your money while you're gone? If you have an automatic deposit plan at your credit union, you'll never need to worry about where your money is when you're not there. Your paycheck is automatically deposited to any one of your credit union accounts.

Automatic deposit allows for earlier posting of your money and ends worry about your check being lost or stolen. You'll have the security of knowing your funds are there at the beginning of every payday.

With an automatic deposit plan you'll never have to make a special trip to the credit union to deposit your check, or wait for the mail, or stand in long lines. Your money is there even when you're somewhere else.

## **Youth Week**

Help us celebrate Credit Union Youth Week August 4th - 8th. Riverfork FCU will be having a coloring contest for youth age 10 and under. The winners of each age group will receive a piggy bank. All coloring entrants must be a member of Riverfork Federal Credit Union, so this is a great time to set up an account for your children.

Open up an account for your children age 15 and under during the month of August and Riverfork will deposit an extra \$10.00 into their account.
